Dear Paul:

I am delighted to inform you that you have been selected to receive the Faculty Research Award from the Wehle School of Business. This is in recognition of your outstanding research record including two books in the short period of time since you came to Canisius.

You will receive a payment of \$1,000 for the award and your name will be placed on the plaque which hangs in the hallway of Old Main near the entrance to Bagen Hall.

Congratulations on your fine record and best wishes for continued success.

Very truly yours,
